BIOLOGY LEARNING JOURNEY

Y11
- Homeostasis and response
- Inheritance and evolution

Y10
- Organisation
- Infection and response
- Bioenergetics
- Ecology
- Homeostasis and response

Y9
- Microbes, disease and the immune system
- Evolution and inheritance
- Cell Biology

Y8
- Digestion
- Photosynthesis
- Breathing and respiration
- Interdependence

Y7
- Cells
- Movement
- Variation and classification
- Human reproduction
- Plant reproduction

Y6
- Classifying big and small
- Evolution and inheritance

Y5
- Life cycles
- Reproduction
- Human timeline

Y4
- Digestion and food
- Classifications
- Changing habitats

Y3
- Movement and Nutrition
- Plant reproduction

Y2
- Habitats and microhabitats
- Life cycles and health
- Plant growth
- Does hand span affect grip?

Y1
- Comparing animals
- Sensitive bodies
- Introduction to plants
- Fairytale Science

EYFS
- Plants and animals
- Living things and their habitats
- Evolution and inheritance
