

21 November 2023

Dear parents and carers,

I am delighted to be able to share with you the report from our recent Ofsted inspection, with the grading of "GOOD" in all categories.

To improve standards enough to move up a grade in Ofsted's judgement is no small feat. It has been achieved through determined effort on the part of staff over a prolonged period of time, significant investment from the Trust (Emmanuel School's Foundation) and the willingness of students to engage in their learning and embrace the plethora of extra opportunities on offer. We will continue to work hard to improve school attendance and to ensure that all students have the opportunity to thrive in their learning and in character development.

We will not rest on our laurels and this judgement provides a strong foundation on which we can continue to build and progress even further.

I look forward to the next phase of working with staff, students and their families in this exciting journey.

Thank you for your partnership with us and for entrusting your children into our care on a daily basis.

Kind regards

Mrs J Normanton
